## Section 3: Project Attachments

### Project Pictures

Attach photos (or you may provide drawings) of your project work throughout the year showing you and your project at the beginning, during the work being done, and when completed. Don't forget to include pictures of you helping others in your citizenship and leadership activities, too. Attach no more than three (3) pages (8 ½" x 11", one side only) of pictures to this report. Be sure to include a sentence about what you are doing in the picture.

### Project Story

Create a story of some of your project experiences. Record the good and bad experiences you had during the year, what you learned, and what you would do differently. Looking back over your past year in 4-H, think about the things you've learned and include how you might apply what you've learned to your life in the future.

The story should be no more than three pages, neatly written or typed (8 ½" x 11", one side only) in 12-point, double-spaced font.

### Project Book

Attach your project book or worksheets you have completed as evidence of your project accomplishments.
