A sidebar on the left contains links for "License/Exam Information", "Apply for examination", "Schedule your exams", "Exams policies", and "Questions about the exams". The main content area is titled "Florida Pesticide Certification Exams" and contains a welcome message and a three-step process. Step 1, "Apply for a pesticide application's license/permit by using the link below which redirects you to the FDACS website. Please return to the UF/IFAS website after obtaining your exam voucher.", has a yellow circle around the "Apply for Examination" button. Step 2, "Once you obtain a voucher number from FDACS, you are ready to schedule the examination in your local UF/IFAS Extension Testing Centers. Exam sessions are held by county and can be found at UF/IFAS Extension testing centers and schedules. Seating is limited so you must schedule an appointment.", has a yellow circle around the "Schedule Examination" button. Step 3, "Please go to the UF/IFAS Extension testing center on the scheduled date/time. Learn about the exam process.", is also visible. On the right side, there is a section titled "Taking the certification examination" with a link to "Click the link below to start the exam session" and "Examination Entry Page". The footer includes "Copyright 2019, University of Florida | Site Feedback" and the UF Florida logo.

Afterwards, please schedule your examination. Exams can be taken Monday-Friday from 9:30am-11:30am. All exams must be completed no later than 5pm.
